

# Choose a Gift with a Deep and Lasting Impact!

Purchase a Gift of Recovery from the list below, and we will send your recipient a gift card noting your generosity, and how you've helped a woman in her recovery journey!

The Council of Southeast PA's Women's Recovery Community Center (WRCC), a residential recovery house for women in New Britain, PA, provides a supportive residential environment for up to 12 women in early recovery. The WRCC supports each resident by teaching tools and coping skills to help them achieve and sustain long-term recovery from substance use disorder. Center programs allow the residents to increase their community engagement, learn life skills, and learn from staff and volunteer mentors. Your generosity can help make their stay at the WRCC more engaging and make the path to recovery easier!
