

Bible Basics Challenge!!! **With PRIZES!!!**

This is a really important piece of faith and discipleship that is often overlooked - but it's foundational to really beginning to understand the amazing love and work of God on our behalf! This may look overwhelming at first, but take heart! Each video in this series is only 4-6 minutes, and yet the info each gives is essential to reading the Bible, which is essential to living a life of discipleship and following Jesus!

THE CHALLENGE:

Each video:

1. Watch that week's video together as a family or study group (STAY COVID SAFE!!!).
2. Think about it for a bit. Write down any questions you have.
3. Talk about it as a family. Answer the following questions:
 1. What did you learn that was new information for you?
 2. What did you learn about God from this? About who God is or how God works?
 3. What answers did you find to the questions you had written down?
4. Send your answers (and any additional questions) to Carrie at carrieb@dtownpc.org to register that you've completed that part of the challenge!
