

2021 Southwest Mission Work Experience

Doylestown Presbyterian Church
September 11 – 18, 2021

Transportation

Transportation will be provided from DPC to Philadelphia for flight to Albuquerque, New Mexico. Once in New Mexico, transport will be by automobiles. The DPC Mission Committee will help fund these expenses.

Accommodations

Comfort Suites in Gallup and Hyatt Place Airport in Albuquerque, NM.

Time Allocation

7 days, includes 2 days of travel to the Southwest and back, volunteer work experience for about 5 days of time.

Total Cost

The total cost is estimated to be between \$850 and \$1000 for single room and between \$500 to \$650 for double room occupancy. This cost is for each person and includes all transportation, housing for 7 nights, and estimates of average meals. The wide range of costs is because of fluctuating airline, rental car, fuel, and lodging expenses caused by the recent surge in traveling as the country opens up.

Volunteer Work Experience

The Community Pantry
www.thecommunitypantry.org

We will help with daily food bank tasks which might include bagging produce, assembling and distributing food boxes, and sorting canned goods. The Pantry has been supported by DPC's Mission budget since 2006.

We will probably also help with garden projects in the hoopouses and community garden plots. Participants from DPC have been helping with the Hope Garden since its inception in 2011. The garden was one of the mission components of the Forward Together campaign with a donation from DPC of \$75,000.
