

Tread Lightly for Lent

The Peace and Justice Committee of Doylestown Presbyterian Church has chosen to focus on environmental justice this program year and invites you to use this 2022 PC(USA) Lenten calendar for your faith journey to Easter, either as an individual, family or with a small group.

Traditionally Lent has been a time to “give up” something enjoyed; however, this calendar provides us all with something to **take on**.

Our denomination shares these thoughts on faith justice on the Presbyterian Mission Agency webpage, and we found them particularly inspirational as we embark on this journey:

“As people of faith, we seek to “serve and preserve” God’s world. However, some of our collective choices have led to a changing global climate, which translates to warmer temperatures, rising sea-levels, and severe storms, just to name a few. To turn this tide, we must commit to treading lightly on God’s Earth. In Lent, we slow down, take time, and examine our internal spiritual lives and the way we live out our Christian faith in the world around us. Our hope is that this Lenten calendar will be the beginning of actions intended to create more mindful behaviors throughout the year.”

We look forward to growing together in Christ’s image as we help to create a better world in body and spirit this Lenten season.

Live gratefully!
Live responsibly!
Live hopefully!
