

CARING MINISTRY

DPC's Deacons keep our members spiritually connected and supported with prayer, meals, and other assistance in times of need. Our Pastoral Care team is always there to offer support through important stages of life.

SERVICE + OUTREACH

Caring for others is essential for our calling as Christians. Each year, 10% of DPC's operating budget is dedicated to mission efforts. We work alongside religious and non-profit partners and host monthly food drives, community meals, and a shelter for the unhoused. DPC also organizes trips to learn, grow, and support. Together we care for creation, and work toward God's justice and reconciliation for all.

WORSHIP

DPC is dedicated to creating a meaningful and inspiring worship experience for everyone. Our Sunday services at 8:30 and 10:30 am (9:30 am during the summer) are enriched by choirs and musical ensembles of all ages. Nursery Care is available. Our YouTube livestream provides flexibility for those unable to attend worship in person.

CONNECTION

We offer a host of groups that provide opportunities to develop friendships with one another. Special all-church events like the Memorial Day Street Picnic, as well as weekly moments like coffee hour on Sundays, keep us energized and connected.
