Mac's Meanderings

Doylestown Hospital and Visiting You!

September Greetings All! One of the things I have absolutely loved about being in Doylestown is how close the hospital is to the church and how easy it is to visit DPC members there. When I was pastor in Raleigh, NC for 15 years our church members could be at any number of hospitals around the city. Sometimes it was hard to find folks.

The Doylestown Hospital pastoral care office is amazing. The Reverend Maggie Ainslie does a fantastic job with the chaplaincy program there and assisting ministers like Becca and myself when it comes to visiting church members.

Just so you know, Becca goes on Tuesdays and Thursdays. I go on Monday, Wednesday, and Friday, and Margaret Thoresen, our Parish Visitor, does a lot of her care via the phone. Deacons sometime bring flowers on Sunday. For my first year-and-a-half here, the pastoral care office had excellent records of patients' denominational affiliation and specific church. Becca and I could walk into the pastoral care office (as "official volunteers" at the hospital) and find out which of our members were there. Easy peasy.

It is no longer "easy peasy." As some of you know, with the change to Penn Medicine, Doylestown Hospital has a new database system. In the transfer to this new system, they no longer have records of your denominational affiliation and what church you belong to. When you check into the hospital, volunteers are supposed to collect religious information if you choose to give it to them, but sometimes it gets missed. Needless to say, it could take years to build back the database with religious affiliation information.

I share all this because it has become more important than ever for you to let your pastors know when you are going to have a procedure or you're in the hospital. I realize some of you are very private about your health and don't want attention while going through something. But many of you really do appreciate having us come and pray with you and a family member before, during, or after a procedure. We can only do that if we know what's going on and where you are.

One final note: we take your privacy very seriously and so does the Doylestown Hospital pastoral care office. HIPAA laws are very important. So please know we have a high regard for confidentiality. We also are happy to visit you if you are in hospitals farther away (i.e. Pine Run Health Center, Lansdale Hospital, etc.) We consider it a great privilege to be able to walk along side you in difficult times.

With Care,

Looking for an easy way to alert your pastors of life news - or simply to log your online attendance? Learn more about DPC's **Digital Connect Card** on **Page 4**

Connect with DPC

As Pastor Mac addressed in this month's *Meanderings* (on Page 2), letting your pastors know about important moments in your life ensures that you will receive the pastoral care that might help you along your journey. This can include:

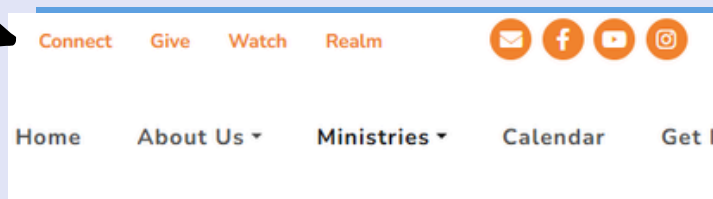

- **Sharing a joy** (like the birth of a new child or grandchild)
- **Sharing a concern** (like news of illness, or an upcoming surgical procedure or hospital stay)

You can call or email the pastors directly - or call the church office (215-348-3531) - but a very simple way to reach out is through [DPC's Digital Connect Card](#).

This is also the place to log your online attendance after watching the worship service via livestream.

There are three ways to access this card online:

Website: Head to www.dtownpc.org and click the orange word **"Connect"** at the top of the screen.

Email: Open the weekly worship preview email from DPC (sent each Friday at 4 pm) and click the button that reads **"Connect with Us"**

Bulletin: In the "Worship Notes" section, scan the QR code or follow the instructions in the note titled **"Let's Connect!"**

Let's Connect! Do you have a Prayer Request? Would you like to share a joy or concern with the pastors, or other members of your DPC family? We want to hear from you! Visit www.dtownpc.org and click "Connect" at the top of the page to contact us or scan this QR code with your smart phone camera. This is also the place to learn more about our various ministries, programs, mission efforts and the many ways that you can get involved.

Spirit
open my

2027 Generosity Campaign

From **September 27 to November 1** the DPC Generosity Committee will be encouraging each of us to go on a spiritual journey as we consider God's call in relation to our resources. You will be receiving an invitation to this journey the last week of September.

August Session Update

The Session had their stated meeting on Monday, August 24. The following took place:

- Bridging the Spectrum co-leaders, Judy Chang Cody and Brynne Hunter, presented to Session. Bridging the Spectrum is a group focused on exploring what it means to be a welcoming and inclusive church for friends of the LGBTQ+ community. The group offers space for participants to share with one another and engage topics that affect this community. Friends and allies are welcome. Judy and Brynne shared what the group did last year and what it hopes to do in the future. Session is discerning with Bridging the Spectrum what type of group they will be moving forward.
- Session approved:
 - The Library Committee request to host children's author Andrew Rosenbaum at a November 22 event.
 - A Finance Committee recommendation to "pass the offering plate" at 8:30 am worship service beginning on September 13.
 - Making Scouting Troop 24 Boys and Troop 24 Girls into a single "Troop 24." This will help with the number of volunteers needed for certain leadership positions.

-- Linda Cacossa (Clerk of Session) & Mac Schafer (Pastor & Moderator of Session)

Wine & the Word - October 16

What can a farm teach us about faith? Jesus used this imagery regularly and can leave some of us scratching our heads.

Join in for an evening exploring wine through the lens of agriculture, scripture, and community featuring **Dr. Nate Stucky**, founder of Princeton Seminary's Farminary ("farm" + "Seminary") where theology grows literally out of the soil.

We will showcase 4 different wines that you can get in your local stores at a variety of price points (because we hope you might buy one of the wines again and share this wonderful experience with a friend as a faith conversation.) Non-alcoholic options will be available.

Expect rich conversation on creation, a fresh look at wine's sacred place in biblical tradition, and an evening that lingers with you long after the last glass. Come thirsty - for good wine, good company, and a story worth savoring.

October 16, 2026, at a nearby venue. Cost is \$25 per person. Max of 50 people.
Doors open at 5, event from 5:30-7:30.

Ministry in Motion!

This summer DPC took over TWO ballparks! In July a great crew saw the Phillies take on the Yankees, and in August a group enjoyed some minor league action at the home of the Ironpigs in Allentown.

DPC members were proud to join with others in Frenchtown on August 9 to sign a Treaty of Renewed Friendship organized by the Lenape Nation of Pennsylvania. The gathering in the small Upper Bucks community was just one stop on The Rising Nation River Journey – a two-week, 330-mile journey down the Delaware, that happens only once every four years. The treaty is about collaborating with conscientious community organizations and individuals to work toward common goals of Lenapehonk Indigenous Awareness and Environmental Stewardship.

The DPC Moms Group shared a spiritually enriching morning with Pastor Mac experiencing the Community Labyrinth in Doylestown on August 8.

DPC hosted a work crew from Walkill Reformed Church, located in Walkill, NY, August 3 through August 8. They came to this area to work with Bucks County Habitat for Humanity and needed a place to stay overnight and have access to a kitchen for meals. The leader of the workgroup is the brother of Tom Haldeman and a former member of DPC.

Mission Statement: Be a bridge for Christ and a beacon of His love.

Vision Statement: A growing community of disciples engaged in worship, service, and care.
